

CPRE31: Eco Plot

2,000m2 plot with 3 ruins

2,000m2 plot surrounded by mature trees located 25 minutes from Coimbra.

Hidden away at the end of a 700m track is this 2,000m2 plot where you can reconstruct the 3 ruins, construct a wooden house for recreation purposes, and/or live in a caravan, yurt, tipi, etc.

The views are amazing stretching far across to the Serra da Lousã, Miranda do Corvo and also Coimbra!

No mains water or electricity is available for this land. A well can be dug to supply endless amounts of natural spring water, and it's an ideal location for solar power - perfect for sustainable living. A borehole with pump and a 20KVA generator can be installed for around 9,000 euros.

Located only 4km from Miranda do Corvo where train and bus connections run frequently to Coimbra, Penela and Lousã.

Price: 31,000 euros
