

PTD51: "The Boy House"

3 bed farmhouse plus ruin on 1,700m²

3 bedroom stone farmhouse with a living room, kitchen with open fireplace, further small room, and a bathroom, all on the first floor. On the ground floor are storage rooms and old animal pens.

The house is in basically habitable condition but does need renovation. Electricity, water and telephone are connected.

Further little stone house which could convert to guest accommodation (enough space for a bedroom, WC, and kitchenette).

1,700m² land with space for a swimming pool.

Fabulous views across the valley all the way to the sea about 60km away. The house has 3 balconies and you can watch the sunset over the sea.

Situated about 5 minutes from Espinhal, where you have all that you need, hospital, schools, restaurants, shopping, etc, and about 10 minutes from Penela. The natural swimming pools at Louçainhas, with restaurant and bar, are about 2km.
