

# PTD55: Countryside House

House for renovation on land with building permission

250m2 stone house for renovation.

The property has mains water and electricity, and a septic tank.

Possibility to build another house on the land.

100m2 courtyard and a very sunny "urban" plot of land of 1,000m2.

This property has masses of potential and you can basically do whatever you want here - renovate/rebuild/extend the existing house, build another house (to live in, rent out, etc), put in a swimming pool, a tennis court, the possibilities are almost endless - a developer's dream!

Beautiful views and landscape.

About 5 minutes from Penela.

Price: 55,800 euros
