

REG260: Scandinavian Villa

4 bed brand new build Scandinavian villa in peaceful location

A brand new quality built Scandinavian villa located in a peaceful tranquil location. The perfect 'log cabin'.

The villa consists of a 205m² habitable area over 2 floors. Solid wood flooring throughout (with noise insulation), with full double glazing and shutters. The external walls are 120mm in 'Rounded' form and the internal walls are 70mm.

The villa is made up of an entrance hall, lounge, dining room and pantry. The large modern kitchen has hand-crafted units with polished granite worktops and domestic appliances.

There are a total of 3 bathrooms (one of them en-suite), and 4 bedrooms all with built in wardrobes.

A covered terrace is situated along one side, with a balcony above overlooking the land.

There is ample storage space in the loft area and a fully insulated chimney cavity for log burner installation.

Mains water and electricity connected. Wired for Internet.

1,850m² (nr 0.5 acre) grounds in a very tranquil location. Plans have been passed for a swimming pool.

There is a very large four-car garage of 100m² with automatic doors.

The property is 90 minutes north of Porto airport in Portugal, 30 minutes from Vigo airport in Spain, and just ten minutes drive from the Spanish border.

With letting potential of £1,250.00 per week, this is certainly a property worth considering.

Possibility to exchange with UK property.

Price: 260,000 euros
