

PIP40-1: Four Buildings Quinta (162)

Habitable house, house for renovation, garage and storehouse on 3 hectares

This wonderful property is very well located in a beautiful place in Estrela Mountains. Stunning views! Much privacy.

There are 4 buildings. All built in granite stone:

One habitable house: 2-storey house with footprint of 50m² and habitation area of 100m².

One renovation house: 2-storey house with footprint of 50m² and 100m² of habitation area. It needs renovation: roof, floors, etc. The walls are in good condition.

Both have habitation permits.

One garage with one annexed agricultural storage house for renovation: footprint area with 150m².

One enclosed courtyard.

Land: The property has 3ha of agricultural and forest land. It is possible to grow vegetables, flowers, vines, fruit trees, etc...

The land has terraces all divided and supported by granite walls. Excellent sun exposure.

Water: Supplied by natural spring with plenty of water all year. There is a water canal for irrigation. A water tank.

Access by dirt track.

Situated located between Gouveia and Fornos de Algodres: 1km from the nearest village, 8km from the nearest town, 5km from highway, 5km from train station, 5km from Mondego river.

Price: 40,000 euros
