

VG75-8: Ecological Farm (327)

1.5 hectares (3.75 acres) of beautiful land for eco-farm

1.5 hectares (3.75 acres) ecological smallholding. Beautiful eucalyptus free land, located in an area of absolute privacy. The property has hundreds of trees amongst which can be counted many good size oak trees. Good fertile and naturally irrigated land. Partly fenced.

400m² is the maximum area allowed to build. Ideal for you to build your private ecological farm.

Several outbuildings used for animals and storage.

Lots of spring water (mains also available). Electricity is not connected yet, but is very close. Telephone and ADSL are possible.

Located in the historical parish of Dornes, within equal distance from the market towns of Ferreira do Zêzere and Cabaços (Alvaiázare).

All facilities and amenities are in the locality. The cities of Tomar, Pombal and Coimbra are not too far away.

Price: 75,000 euros
