

VG89: 8 Hectare Farm (308)

8 hectare farm with ruins, barns and stables

Farm with several ruins, barns and stables.

Beautiful huge old barn, built in Portuguese granite stone, that can easily be converted into a fantastic and unique family home.

The property has several warehouses, barns and other animal facilities.

The present owner has been using the land for raising sheep.

80,000m² (8 hectares) of farmland suitable for planting and keeping animals.

Fantastic equestrian property / smallholding / permaculture / forest garden project.

The property is good for privacy and gets great sunlight.

Located in the village of Cernache do Bonjardim near the town of Sertã, and the River Zêzere.

Price: 89,000 euros
